### Cash/Cheque

There are a number of advantages to the Group if you are able to use the online method. We therefore request you consider it first.

However, if this is not suitable for you, payment can be made by cash or cheque.

Payments are aligned with the online donations and will be due **monthly**.

This is currently set to £7.50 minimum a **month**, and £15 in July and nothing in August.

You may pay more than one month at a time in minimum multiples of £7.50, for example £15 at the beginning of the ½ term to cover two months.

**Please note:** If you donate, say £9, then we will assume that is a one month payment, if you donate £16 and tell us this is for two months we will assign £8 per month.
