Dear Customer, 17th Barrow Scout Group are again giving you the chance to order bedding plants, fresh from the grower, at very competitive prices. Proceeds will go towards maintenance of the equipment that helps us run fun and challenging activities for our beavers, cubs and scouts.

This year we have a new grower since Sue and Rafe, our growers for the last 10 years, have hung up their watering-can and trowel for a well-earned retirement. However, they first took the trouble to find a new supplier for us, visiting three potentials, and settling on Laburnum Nurseries. As a result, we have a new list for 2026 - all the favourites, plus some new and returning. **Note the new pack sizes for Begonia N-S, Lobelia, and Basket kits!**

If you would like to send a message of thanks to Sue and Rafe, or have photos of their plants, do get in touch and we'll pass them on!!

Thank you for your custom!
